## 1. Executive Summary

The blockchain revolution has created a world of opportunities to build community-driven projects that make real-world impacts. The Last Block Benders (TLBB) is not just a blockchain token or NFT project—it's a movement that combines storytelling, art, charity, and education into a cohesive ecosystem driven by transparency, trust, and innovation.

With an NFT launch as its foundation, TLBB aims to engage its community through creative and purpose-driven initiatives. By integrating AI-powered tools like our digital assistant, The Fonz, TLBB streamlines development, storytelling, and community engagement, ensuring the project remains efficient and aligned with its mission.

#### Key Highlights:

- **NFT Launch:** A captivating NFT collection featuring unique characters and story elements to engage and grow the TLBB community.
- **Charitable Focus:** 50% of NFT and transaction fee proceeds are allocated to global charitable initiatives.
- **AI Integration:** TLBB uses advanced AI tools, including The Fonz, for decision-making, content creation, and smart contract testing.
- **Education First:** Via Block3AI.com, TLBB promotes blockchain, Web3, and AI education for users at all levels.
- **Transparency:** Open-source smart contracts and publicly trackable charity wallets ensure accountability.

## 2. Introduction

Blockchain, cryptocurrencies, and NFTs have opened new avenues for innovation, community-building, and social impact. However, many projects are plagued by speculation, lack of transparency, and short-term goals. TLBB is here to change that.

#### What Makes TLBB Unique?

- A charity-driven NFT and token project focused on storytelling and community.
- Integration of cutting-edge AI technology, with tools like The Fonz enhancing the project's efficiency and creativity.
- An ecosystem designed for long-term impact through education and philanthropy.

- A **global educational platform** to empower blockchain adoption (via Block3AI.com).

### 3. Vision and Mission

#### Vision:

To establish TLBB as the leading NFT and blockchain project for global impact, trusted by enthusiasts, investors, and nonprofits alike.

#### Mission:

- Build a sustainable, charity-driven economy through NFT sales, royalties, and token fees, directly funding reputable charities via TheGivingBlock.com.
- Use AI-powered tools like The Fonz to optimize storytelling, operations, and community engagement.
- Promote blockchain, Web3, and AI education through free, beginner-friendly resources on Block3AI.com.
- Foster a community of like-minded individuals with shared values of transparency and accountability.

### 4. Tokenomics

#### Token Supply and Allocation

##### Category Percentage Token Allocation

Liquidity Pool 30% 300,000,000 TLBB

Presale Allocation 25% 250,000,000 TLBB

Marketing and Development 20% 200,000,000 TLBB

Team Reserve 10% 100,000,000 TLBB

Community Rewards 10% 100,000,000 TLBB

Charity Reserve 5% 50,000,000 TLBB

**Total Supply:** 1,000,000,000 TLBB

### **Transaction Fee Distribution**

- **2% Per Transaction Fee:**
- **1% to Charity Wallet:** Supports reputable nonprofit initiatives.
- **1% to Development Wallet:** Funds project growth and sustainability.
- **Allocation:** 25% of total supply (250,000,000 TLBB).
- **Purpose:** Raise initial liquidity, fund marketing, launch development efforts and make first charity donation.
- **Transparency:** Use a dedicated wallet for presale contributions and all other aspects of the project.

## **5. NFT Collection**

### **Overview:**

The Block Benders NFT Collection launches first, featuring unique artwork and storytelling elements inspired by blockchain culture.

### **Key Features:**

- **Charitable Focus:** 50% of proceeds from minting and royalties go to a public charity wallet.

### **Community Perks:**

- Governance voting on story arcs and project decisions.
- Access to exclusive content like unreleased chapters and behind-the-scenes artwork.

### 3. Rarity System:

- NFTs are categorized as Common, Rare, Epic, and Legendary, each with escalating value and perks.

## 6. Charity Initiatives

### Transparency and Accountability

- Public **charity wallet address** for real-time tracking.
- Regular donation reports and updates shared with the community.

### Impact Focus

1. **Education**
2. **Environmental Causes**
3. **Disaster Relief**

**Goal:** Raise and donate \$100,000+ in Year One.

## 7. Educational Focus

### Why Education?

Blockchain technology remains confusing to many. TLBB and Block3AI.com aims to educate people from all walks of life through:

- Free **tutorials and videos**.
- Beginner-friendly content.
- Providing info that is helpful and useful.

## **Block3AI.com Initiatives**

1. **Blogs:** In-depth articles on blockchain, Web3, and AI technology.
2. **Courses:** Beginner and intermediate tutorials.

## **8. Technical Overview**

### **Blockchain Foundation**

#### **Technology Stack (Base version)**

- **Smart Contracts:** Solidity & Hardhat framework for secure, efficient code.
- **NFTs:**ERC-721 token standard.

#### **Key Features**

- Automated fee distribution to charity wallet.
- NFT minting with tiered rarity and built-in charitable royalty mechanisms.

## **9. Roadmap Overview**

**Phase 1:** Website launch, story expansion, NFT creation, community building.  
Months 1–4

**Phase 2:** NFT collection launch, pre-mint campaigns, community engagement, liquidity setup on Base.  
Months 4–6

**Phase 3:** TLBB token presale and launch, expand [Block3AI.com](https://Block3AI.com), targeted marketing campaigns.

Months 7–9

**Phase 4:** Cross-chain expansion, charity partnerships, launch branded merchandise.

Months 10–12

## **10. Marketing and Community Building**

- Influencer partnerships to spread awareness.
- Engaging with the community through Twitter, Discord, and Telegram.

### **Community Growth:**

- Reward NFT holders with perks like exclusive content and airdrops.

## **11. Partnership Opportunities**

### **Charity Partners**

Collaborate with multiple global nonprofits to amplify donations and reach.

### **Education Partners**

Partner with interested parties to provide blockchain, web3 and AI training.

### **Talent**

Team up with like-minded individuals and companies to join our team, contribute and partner with to build a lasting legacy in this space.

## 12. Governance Model (Future Plans)

- Introduce **Decentralized Autonomous Organization (DAO)** governance to empower the community.
- Allow token holders to vote on key decisions, including donation allocations and future partnerships.

## 13. Disclaimer for the The Last Block Benders Project (TLBB Project)

The information provided on the website (<https://tlbbproject.com/>) and the TLBB whitepaper is for general informational purposes only and does not constitute financial, investment, or legal advice. **The Last Block Benders (TLBB) Project**, including its NFTs, crypto token \$TLBB, and related initiatives, are for informational and entertainment purposes only, fostering engagement and community within cryptocurrency ecosystems motivated by real-world philanthropic contributions. Participation in this project is entirely voluntary and at the user's own discretion and risk.

### 1. No Financial Value

The TLBB token is a cryptocurrency token with no inherent financial value. It is designed for entertainment purposes, community engagement, and participation within the Base and EVM compatible ecosystems. The TLBB token and NFTs are not investment vehicles, securities, or assets with any guaranteed future utility or financial return.

### 2. Entertainment and Community-Driven Purpose

The TLBB token and NFTs are intended for information, community interaction and entertainment only. Participants should not purchase the token with the expectation of profit or financial return.

### **3. Participant Due Diligence**

All participants are required to conduct their own due diligence before engaging with the TLBB token, NFTs, or any related transactions. Users should fully understand the risks and limitations of participating in cryptocurrency and blockchain-based projects.

### **4. Legal and Regulatory Compliance**

Participants must adhere to the legal and regulatory requirements of their own jurisdictions before acquiring TLBB tokens, NFTs, or engaging in any transactions. The TLBB team assumes no responsibility for verifying participants' compliance with local laws.

### **5. Assumption of Risk**

The creators of the TLBB token and NFTs assume no responsibility for any legal consequences, financial losses, or other liabilities that participants may incur. Cryptocurrency markets are highly volatile and carry significant risks, including the possibility of losing your entire investment.

### **6. No Warranties or Guarantees**

This website and all associated content are provided "as is" without warranties of any kind, either express or implied. The TLBB project makes no guarantees regarding the future value, functionality, or success of its crypto, NFTs, or related initiatives.

### **7. Changes to This Document**

This disclaimer, as well as any related content on the TLBB website or whitepaper, may change at any time without notice or prior approval. TLBB reserves the right to update, modify, amend any portion of the website or whitepaper at any time, for any reason without prior notification. Participation in the TLBB ecosystem is done entirely at your own risk and discretion. It

is the participant's responsibility to stay updated on any modifications.

## **8.Charitable Contributions**

While a portion of proceeds from TLBB initiatives is allocated to charitable causes, the amount, timing, and specific beneficiaries are subject to change through the owners discretion, community governance and other project factors. Contributions to charities do not constitute tax-deductible donations unless otherwise specified.

## **9. Acknowledgment of Risk**

By accessing or referencing the TLBB website, whitepaper, or any associated content, you acknowledge and agree to this disclaimer as a sovereign, conscious human.

## **14. Conclusion**

The Last Block Benders is a purpose-driven blockchain project focused on transparency, community engagement, and making a real-world impact through philanthropic and charitable contributions. By combining crypto culture and NFTs with charity and education, TLBB and Block3AI.com are poised to create a lasting legacy in the crypto space.

Thanks for being part of the journey. Back to the block bending.
